When I put the name of our group the television stations...
Cherry Hill?
Hey hey were you the one that made all your girls run away?
The group where all their girls ran out... that one?
I heard it work out well for you...
Like I would be an idiot to allow my group be made fun of!
(Hey, Shit!)
I'm not going to be turned into a business reject
Shoo
Shoo

... That sucks

That can't be!!
A lot of groups heard about the story with Chika
The entertainment empire has basically decided that you have to be a big shot to produce
That was just the rough version at least
Komori-san...

It is practically impossible to promote an idol as a weak group
Oh it's been a while...
Yeah. Sure.

I-I will surely make Plug Japan's #1 Idol in my own way!
Tousuke's purpose is
to help me with my purpose!

That's right! Part 3 of the 3 Part Idol Guidelines "always smile"
Plug !
……

Letting go of the young

And had to take the grab at the last straw!
Owl
